Subject : Invitation to “Partnerships for Development: MDG #8” conference

The UN System in Lebanon has the honor to invite you to a roundtable on “Partnerships for Development and MDG #8” on:

Wednesday, 8 December 2004 from 09:00 a.m. to 11:00 a.m.
UN House, Riad El-Solh Square, Mezzanine

Organised within the context of the national awareness campaign on the Millennium Development Goals (MDG), this roundtable aims to generate discussions specifically on MDG #8: Develop a Global Partnership for Development.

This roundtable will bring together representatives of key stakeholders from the Ministry of Economy and Trade, the donor community, embassies, NGOs, media, the private sector, and UN agencies to exchange ideas on how to contribute to the achievement of MDG # 8, at a local level through the building of Public-Private Partnerships (PPPs).

Speakers include: Mona Hammam, UN Resident Coordinator; Fadi Makki, Director General of the Ministry of Economy and Trade; Kamel Mehanna, General Coordinator of the Lebanese NGO Network; Fouad Zmokhol, Member of RDCL board, and members of the United Nations Support to the Promotion of Local Governance Project.

The success of this initiative can only be achieved through the dynamic involvement of all stakeholders, especially media representatives. Therefore, we look forward to your active participation in this roundtable.
