1. [Employment and unemployment](#)
2. [Labor force characteristics](#)
3. [Major labor force issues](#)
4. [Prospects of sustainable human development at the labor force level](#)

[D. Foreign Labor](#)

1. [Status of foreign workers](#)
2. [Foreign labor and the Lebanese society](#)
3. [Conclusions: foreign labor and social integration](#)

[E. Housing: Situation and Prospects](#)

1. [Introduction](#)
2. [Available housing indicators](#)
3. [Housing policies](#)
4. [Towards a solution to the housing problem](#)

[F. Education and Sustainable Human Development](#)

1. [Indicators](#)
2. [Education policies](#)

[G. Health and Sustainable Human Development](#)

1. [The overall health situation](#)

Table of Contents

2. [The health care system](#)
3. [Summary and conclusions](#)

[H. Women and Sustainable Human Development](#)

1. [Introduction](#)
2. [Women and health](#)
3. [Women and education opportunities](#)
4. [Women and employment opportunities](#)
5. [Women and poverty](#)
6. [Opportunities for women to participate in public life](#)
7. [Status of women in relation to sustainable human development](#)

[I. Situation of Children](#)

1. [Health conditions](#)
2. [Nutritional conditions](#)
3. [Educational aspects](#)
4. [Legal aspects](#)
5. [Children facing special problems](#)
6. [Summary](#)

[J. Youth and Sustainable Human Development](#)

1. [Demographic features](#)
2. [Social and psychological state of youth](#)
3. [Youth and productive employment](#)
4. [Management of youth capabilities: opportunities and obstacles](#)
5. [Youth: participation and social integration](#)
6. [Conclusion](#)

[K. The Displaced and Development](#)

1. [Displacement in figures](#)
2. [Consequences of displacement](#)
3. [Outcome of efforts to return the displaced](#)
4. [Displacement in relation to sustainable human development](#)

[L. Preservation and Management of the Environment](#)

1. [Introduction](#)
2. [Sources](#)
3. [Pollution](#)
4. [Life support](#)
5. [Impact on human welfare](#)
6. [National approach to environmental management](#)

[IV. Social Capital Formation for Sustainable Human Development](#)

[A. Social Capital Formation and Governance](#)

1. [Social capital formation](#)
2. [Good governance](#)
3. [Factors affecting social capital formation](#)

Table of Contents

[B. Main Features of the State and Governance](#)
